PROJECTS

Recreational & Wellbeing <https://recwell.wisc.edu>

In a web team of 2, I helped migrate the old website from OpenText to WordPress for Sports Division of University of Wisconsin-Madison. This site is still in use till today by students, faculties, professors and the community.

Newport Brushstrokes - Fine Art <https://newportbrushstrokes.com>

I designed and implemented part of the website using a new WordPress theme required by the client.
