PROJECTS

Co-teacher

<https://coteacher.com>

In a small startup of developers, marketing specialists and designers, I worked as a UX designer to help launch the website.

CPN-PREV

<https://cpnprev.ca>

I took initiatives to redesign the website for Université du Québec à Montréal based on the feedback that I gathered from user testing sessions.

Rec Well Website

<https://recwell.wisc.edu>

I worked as a web designer in the marketing team of the university, helping redesign and implement the website.
